

Art and Design Year 2 - Art Kit

Important!

This is the Art Kit for Art Design Year 2. To avoid injury and misuse of course materials, it is advised that upon receipt of this art kit, parents store it out of reach of young children, as there are paints, clay, items that pose a choking hazard and items that are sharp.

All items included will be used throughout the course of the year and are expected to be available to the student when needed. If items are lost or used up before being used in class assignments, parents are responsible for replacing these items.

Please also note the extras on page 2, which parents will need to supply.
